# Community/ Safe online platform

## What can you do in eTwinning?

Create online projects

Join online groups

Participate in online  
courses and webinars  
about use of ICT in  
different subjects

Find partners for  
different projects, also  
Erasmus+, Nordplus etc.

## Who can participate?

- Teachers, who teach pupils (from 3 to 19 years)
- School management, advisors and ICT coordinators
- Different kind of education institutions (preschool, vocational, interest-education etc.)
- Schools from 44 countries

## How to join?

Register online:  
[www.etwinning.net](http://www.etwinning.net)

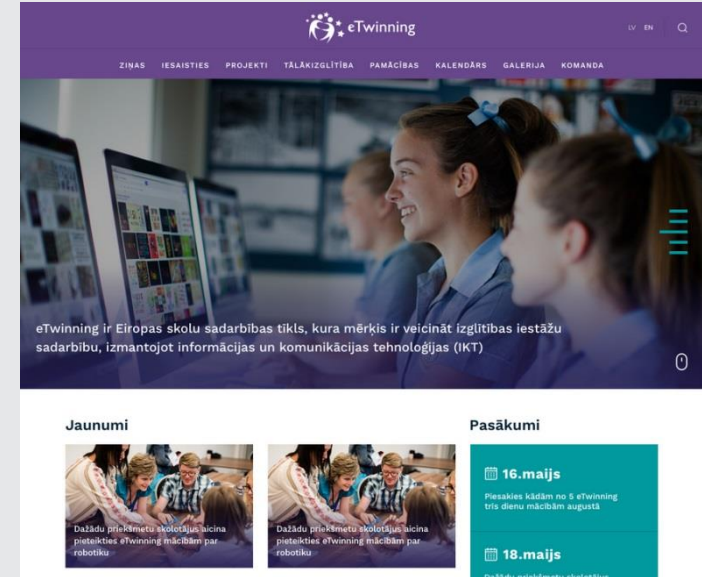

# eTwinning platforms

[www.etwinning.net](http://www.etwinning.net)

## [www.etwinning.net](http://www.etwinning.net)

- General information about eTwinning in all languages
- Public, no need to register
- Info about international events

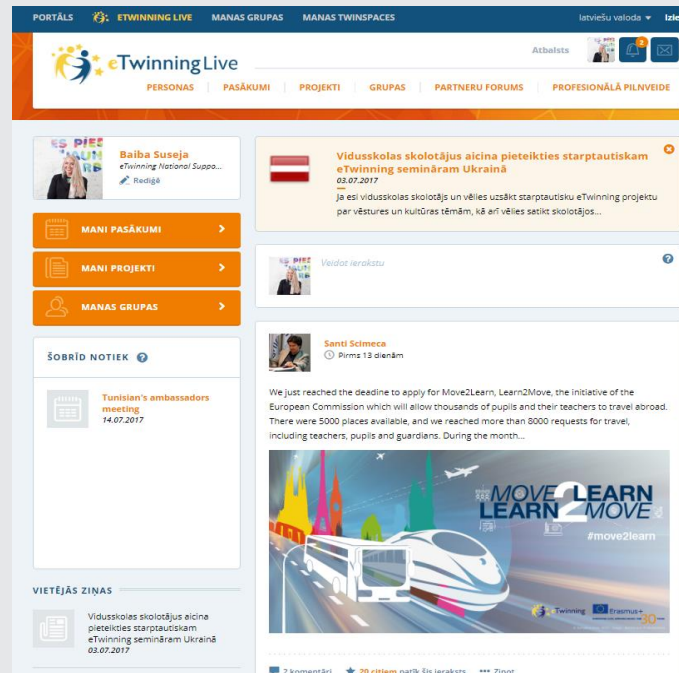

## National websites

- Applications for national events and trainings
- Project examples
- Support materials in your own language

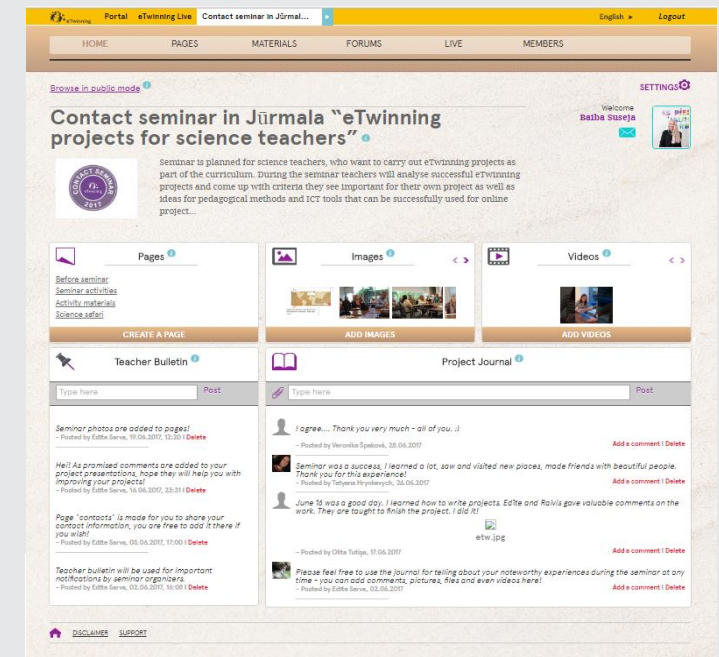

# eTwinning platforms

live.etwinning.net  
twinspace.etwinning.net

## eTwinning Live

- Only for registered users
- Project forums, ideas for projects
- Online groups for different topics/ subjects
- Applications for online courses and webinars

## TwinSpace

- Online platform for collaboration
- Also pupils can join
- Safe (only project partners can join)
- You can also publish or invite parents to join

# TwinSpace for Erasmus+

## TwinSpace is not just a storage place

- Safe place for student profiles
- Virtual mobilities and online collaboration in between mobilities
- Twinmail and notifications
- Pages as an alternative to a webpage
- Forum, TwinBoard and poll
- Teacher bulletin board
- Roles and levels of engagement
- Embed various web2.0 tools

## Benefits for pupils

**Safe online  
communication with  
pupils from different  
countries**

**Authentic learning of  
foreign languages**

**Project activities  
motivate pupils to use  
ICT meaningfully**

**Competency based  
learning / key  
competencies**

**Curricular  
integration**

**New skills and  
knowledge for  
future job**

# TwinSpace for Erasmus +

## Create your TwinSpace plan and nettiquette

### Important questions:

- Why do you need TwinSpace?
- Which activities will you depict in separate pages?
- Which pages will you make public?
- Which part of TwinSpace will be edited by students?
- Will you use forum, TwinBoard and chat?
- What roles will you have in TwinSpace?
- Will you use any other web2.0 tools?
- What will be the rules of behaviour in your virtual space? (Nettiquette)
