Navigation through/within application sections

Within the Web Application Form you have several options to easily navigate between sections or sub-sections. In a variety of screens you have a **top menu**, which can be used to navigate back and forth within a project section.

This screenshot shows the top navigation area of the Erasmus+ application form. On the left is a vertical navigation menu with items like 'Context', 'Participating Organisations', 'Project Description', 'Participants' Profile', 'Preparation', 'Activities', 'Follow-up', 'Budget', 'Project Summary', 'Annexes', and 'Checklist'. The 'Activities' item is highlighted in yellow. In the main content area, a breadcrumb trail reads 'Activities > List of Activities > Activity Details'. A red box highlights this trail, and a red arrow points to the 'List of Activities' link. To the right of the breadcrumb are several status indicators: 'Activity Details', 'Special Needs' Support', 'Exceptional Costs', and 'Total Activity Budget'. Below the breadcrumb, the page title is 'Activity A1'. The main content area shows 'Activity Type' as 'YOUTH-TRANS - Transnational youth meetings' and 'Activity Title' as 'Kick off meeting'. There is also a 'Flows' section below.

Within a project section you may have tabs available. Those can also be clicked on to quickly access specific information.

It contains two text input fields: 'Background information ...' and a larger one for general information on age and gender balance. A red box highlights the second input field, with a red arrow pointing to it and a red warning icon below it that says 'The field is mandatory'. Below this is the 'Participants with Fewer Opportunities' section, which includes a dropdown menu for 'Does your project involve participants facing situations that make their participation in the activities more difficult?' (set to 'Yes') and a text input field for 'How many participants (out of the total number) would fall into this category?' (set to '10'). At the bottom left, there are 'PDF' and 'SUBMIT' buttons, and a timestamp: 'Saved (Local Time) 13 Jul 2017 10:02:35 by ECAS EAC_TRAINING'.
