Dear Colleagues,

I am sending this email on behalf of **Qafqaz University-Azerbaijan** to highlight our interest in prospective Erasmus+ KA1, KA2, etc. call. QU has been coordinator as well as partner in more than 12 EU funded projects. As of 2015 decentralized university structure lets different university units, departments and offices to independently cooperate on the development of various KA2 and KA1 partnerships.

I would be glad if you could distribute this message among local universities in case they are looking for a qualified partner from Azerbaijan.

Best Regards,

Gunel Hasanova
