Subject: Looking for Partners in Erasmus + KA1 - KA2 - KA3 - Sport

Dear Sir / Madam,

Thank you for taking time to read my e-mail;

EUROPEAN CAREER EVOLUTION is established as the premier intermediate training organisation in Ireland. We manage professional Internship training projects for a wide range of young people coming from all Europe, actively participating in the educational path of youth. **E.C.E.** is specialized as a hosting organization for students/professionals who need to develop their linguistic - professional - emotional and cultural competences by a training experience in Ireland (January to November; approx. 500 candidates per year);

Our mission is to promote, develop & optimize the professional profile of individuals by work-orientation guidance, re-training & updating skills, work-experience, an insertion in an international contest and culture, etc.

"Building" a personal and professional profile suitable for the European or International work market is our first goal. It's the **"core business"** of our work in which our energy and policy are focused: on the one hand we provide *"learning opportunities & experiences"* that enrich the professional profile, soft skills, personal life, understanding of other cultures in order to prepared the individual as capable, aware and responsible persons in a globalized world; on the other – as a result – we need people with a positive feedback about their training experience abroad.

We are looking forward to collaborate with new partners in **Key Action 1 – Key Action 2 - Key Action 3 – Sport**; I really hope you can promote **E.C.E.** among your organisations;

Thank you very much for your consideration;

Should you require any further details, please do not hesitate in contacting www.ece-europe.com

Thanks for your consideration

Yours sincerely,

Sandro Sorato
