

Algerian Republic Democratic and Popular
Ministry of Higher Education and Scientific Research

University Center Belhadj Bouchaib
of Ain Témouchent

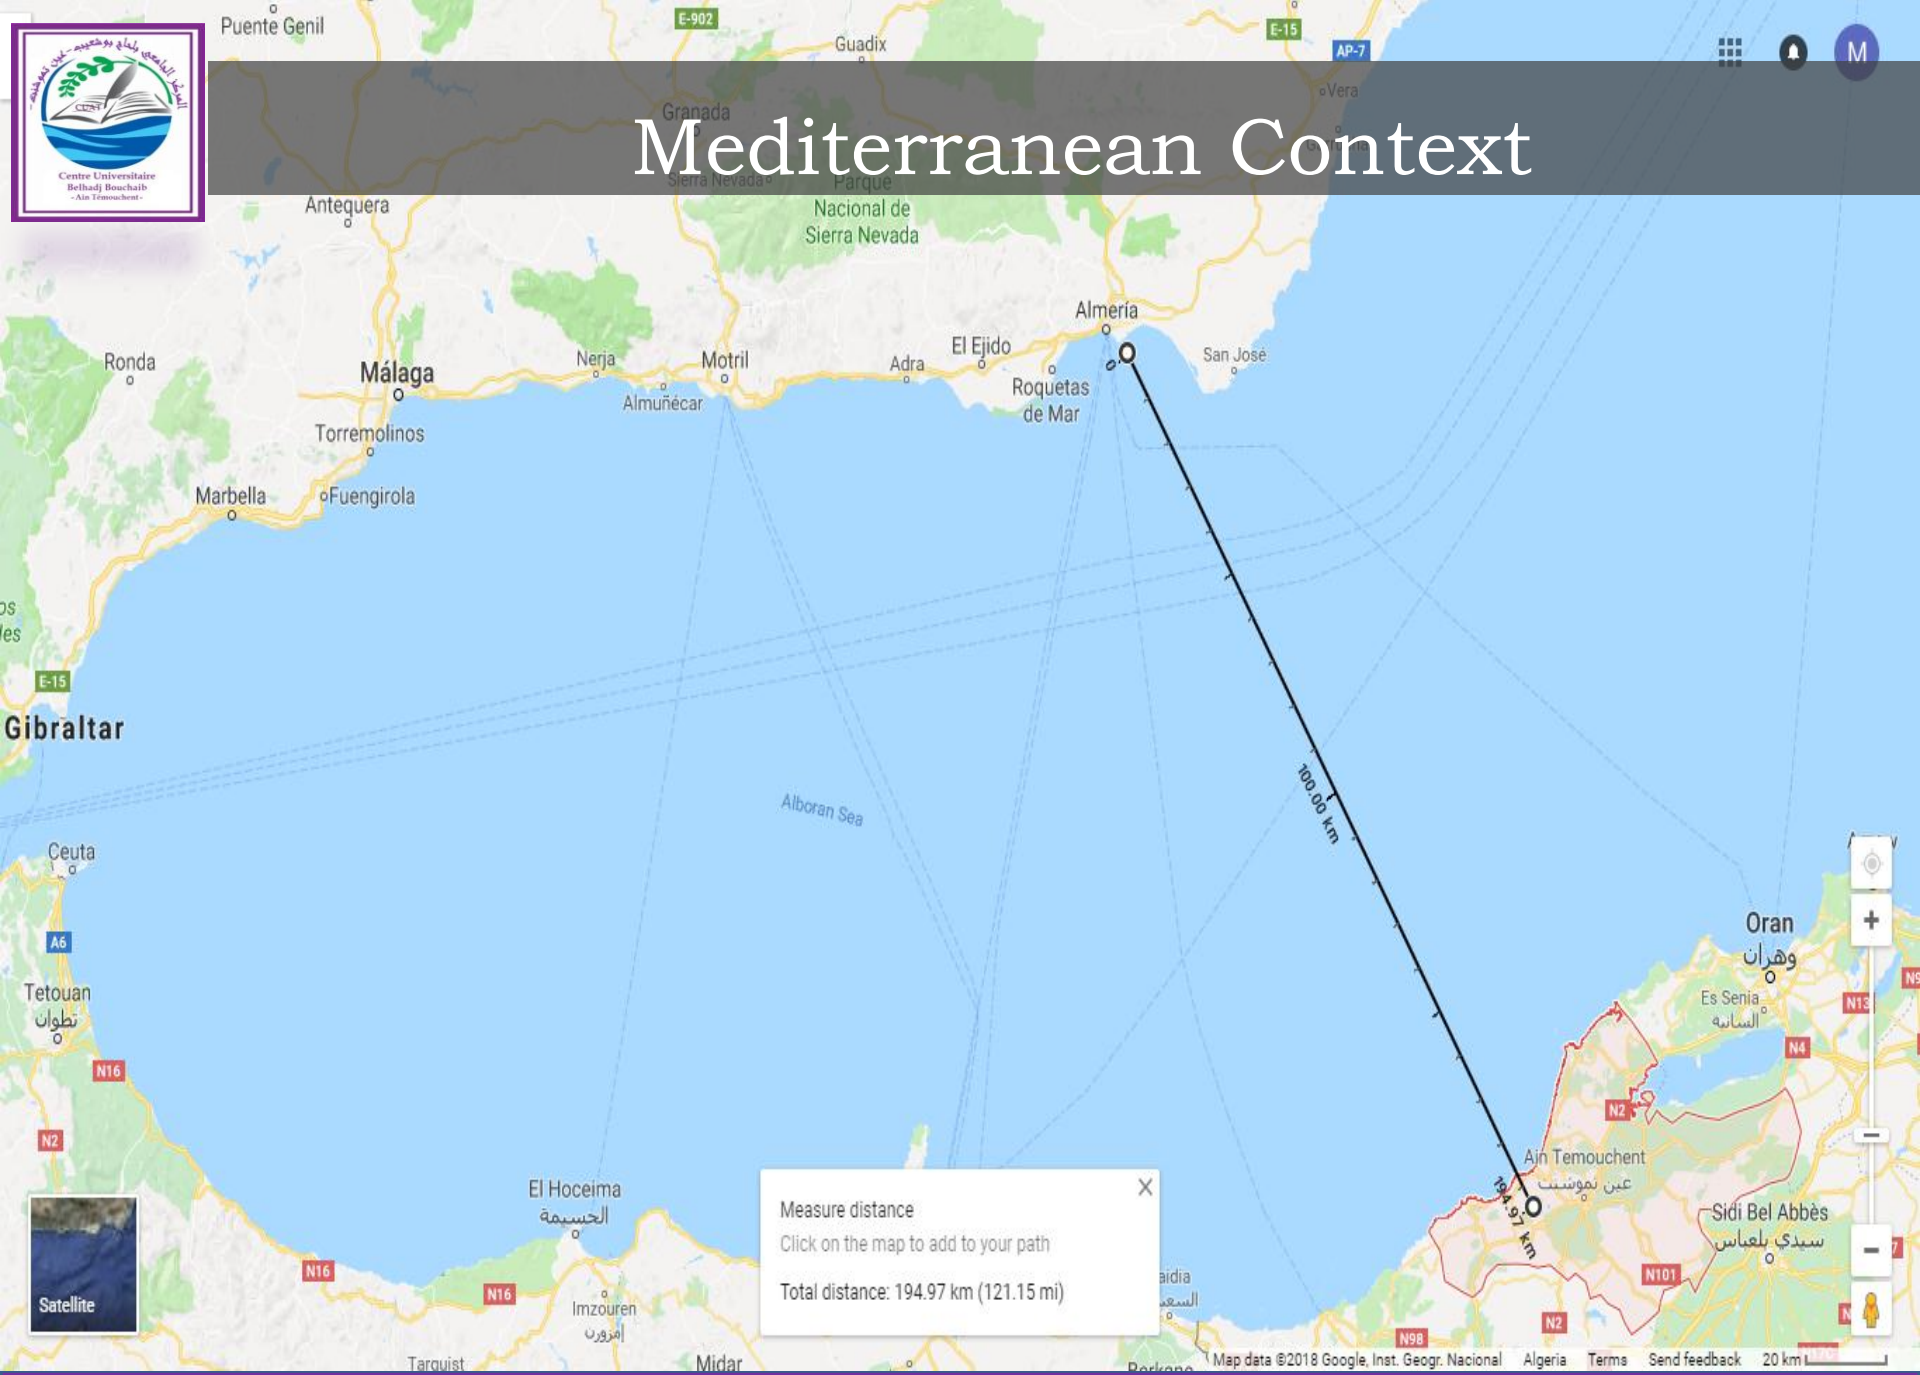

African Context

Mediterranean Context

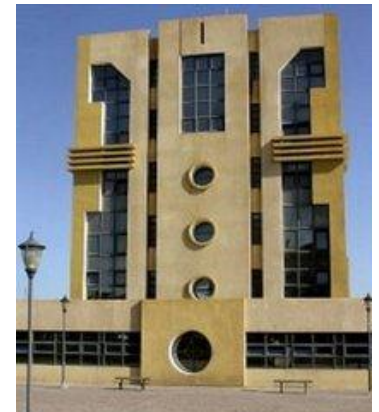

Ain Témouchent Province

University Center of Ain Témouchent

- Founded in 2009
- 4 Institutes, 14 departments
- An Intensif language center (CEIL)
- Covers a surface of 20 hectares

Missions

Education

Scientific Research

Interaction with Society

System of bachelor's and master's degrees and doctorates (LMD)

09 Areas of Training

- Science and Technology
- Science of the matter
- Mathematics and Informatics
- Natural Science and Life
- Economic Sciences, Management and Commercial Sciences
- Arabic language and literature
- Letters and foreign languages
- Law and political science
- Humanities and social sciences

System of bachelor's and master's degrees and doctorates (LMD)

- 38** Specialties at the Bachelor level
- 34** Specialties at the Master level
- 18** Programmes at the doctorate level.

- **Graduates in 2017** : 2099 including 55 foreigners.
- 1231 Bachelor Students (including 16 foreigners)
- 868 Master Students (including 39 foreigners)

Institutes

Institute of Technology

- Department of Mechanical Engineering
- Department of Civil Engineering
- Department of Electrical Engineering
- Department of Water and Environment Engineering

Diploma	Number of graduate students
Licence	909
Master	449
Doctorate	50
Total :	1408

Institutes

Area of training

Domain: Sciences and Technology

Specialty (Bachelor of art degree)

- Civil Engineering
- Public works
- Hydraulic
- Energy
- Materials Engineering
- Mechanical construction
- Electrical
- Telecommunications
- Process Engineering
- Biomedical engineering
- Electronic
- Electromechanical

Specialty (Master degree)

- Structures
- Pathways and Structures
- Electrical networks
- Electric controls
- Biomedical Instrumentation
- Networks and Telecommunications
- Mechanical construction
- Energy
- Materials Engineering
- Electromechanical
- hydraulic
- Hydraulic resources
- Instrumentation

Institutes

Institute of Sciences

- Department of Mathematics and Informatics
- Department of Sciences of Matter
- Department of Nature and Life Sciences

Diploma	Number of graduate students
Licence	1269
Master	373
Doctorat	06
Total :	1648

Institutes

Area of training

Domain: Matter Science of Matter

Specialty (Bachelor of art degree)

- Organic chemistry
- Fundamental Physics

Specialty (Master degree)

- Macromolecular chemistry
- Physics of materials

Domain: Science of Nature and Life

Specialty (Bachelor of art degree)

- Microbiology
- soil and water
- Biochemistry
- Ecology and environment

Specialty (Master degree)

- Applied microbiology
- Biochemistry

Domain: Mathematics and Computer Science

Specialty (Bachelor of art degree)

- Mathematics
- Informatic Systems

Specialty (Master degree)

- Differential equations and modeling
- Networks and Data Engineering

Institutes

Institute of Literature and Languages

- Department of Arabic Language and Literature
- Department of Literature and French Language
- Department of Literature and English Language
- Department of Social Sciences

Diploma	Number of graduate students
Licence	1976
Master	916
Doctorat	29
Total :	2921

Institutes

Domain: Letters and Foreign Languages

Specialty (Bachelor of art degree)

- English language
- French language

Specialty (Master degree)

- Linguistic
- Literature and civilization
- Didactics of foreign languages
- Literature and Civilization

Domain: Arabic language and literature

Specialty (Bachelor of art degree)

- Applied linguistics
- General Linguistics
- Criticism and methods
- Arabic literature

Specialty (Master degree)

- Linguistics of discourse
- Algerian literature

Domain: Human and social sciences

Specialty (Bachelor of art degree)

- Psychology of work and organization
- Clinical Psychology
- Sociology

Specialty (Master degree)

- Clinical Psychology
- Psychology of work, organization and human resources management
- Sociology of organization and work

Institutes

Institute of Economic Sciences, Management and Business Sciences

- Department of Management Sciences
- Department of Economic Sciences
- Department of Law

Diploma	Number of graduate students
Licence	2385
Master	834
Doctorat	21
Total :	3240

Institutes

Domain: Law and political science

Specialty (Bachelor of art degree)

- Private law
- Public law

Specialty (Master degree)

- Private law
- Public law

Domain: Economics, management and commercial sciences

Specialty (Bachelor of art degree)

- Corporate finance
- Economic and prospective analysis
- Banking and monetary economy
- Management
- Accounting and taxation
- Quantitative economics

Specialty (Master degree)

- Management of human resources
- Banking and monetary economy
- Economy and business management
- Comprehensive tax and accounting

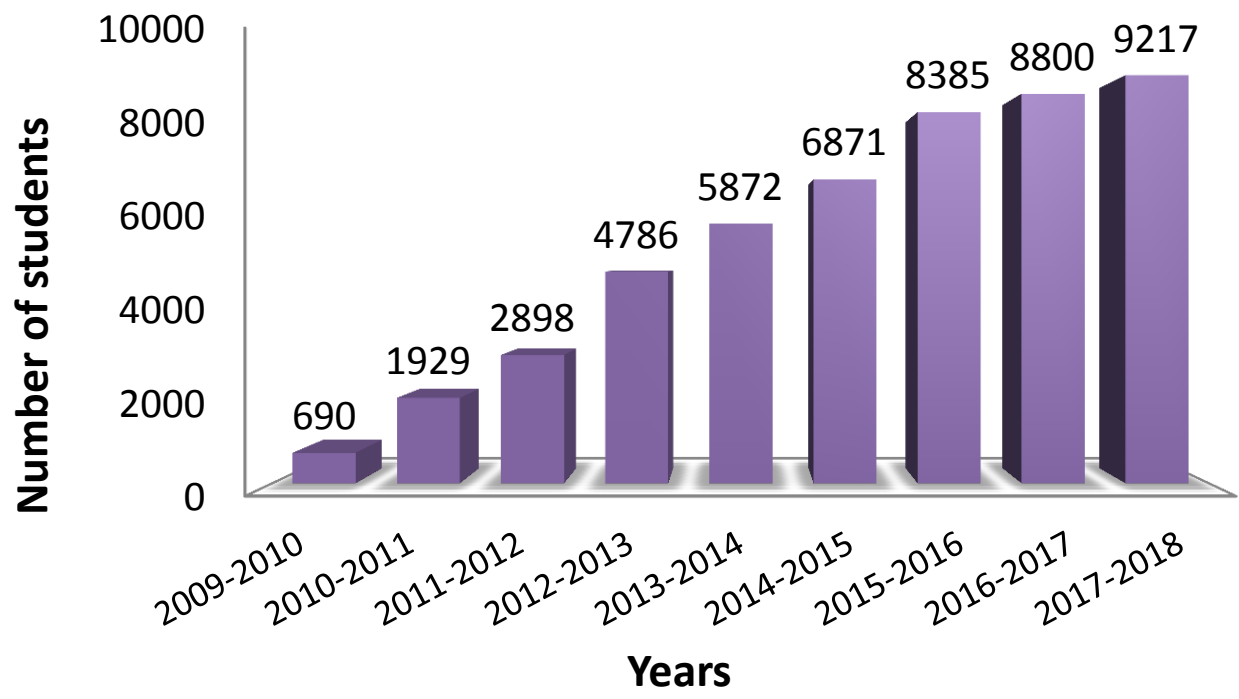

Component

- **9217** students (including **118** foreign students)
- **327** Lecturers - researchers
- **184** administrative officers

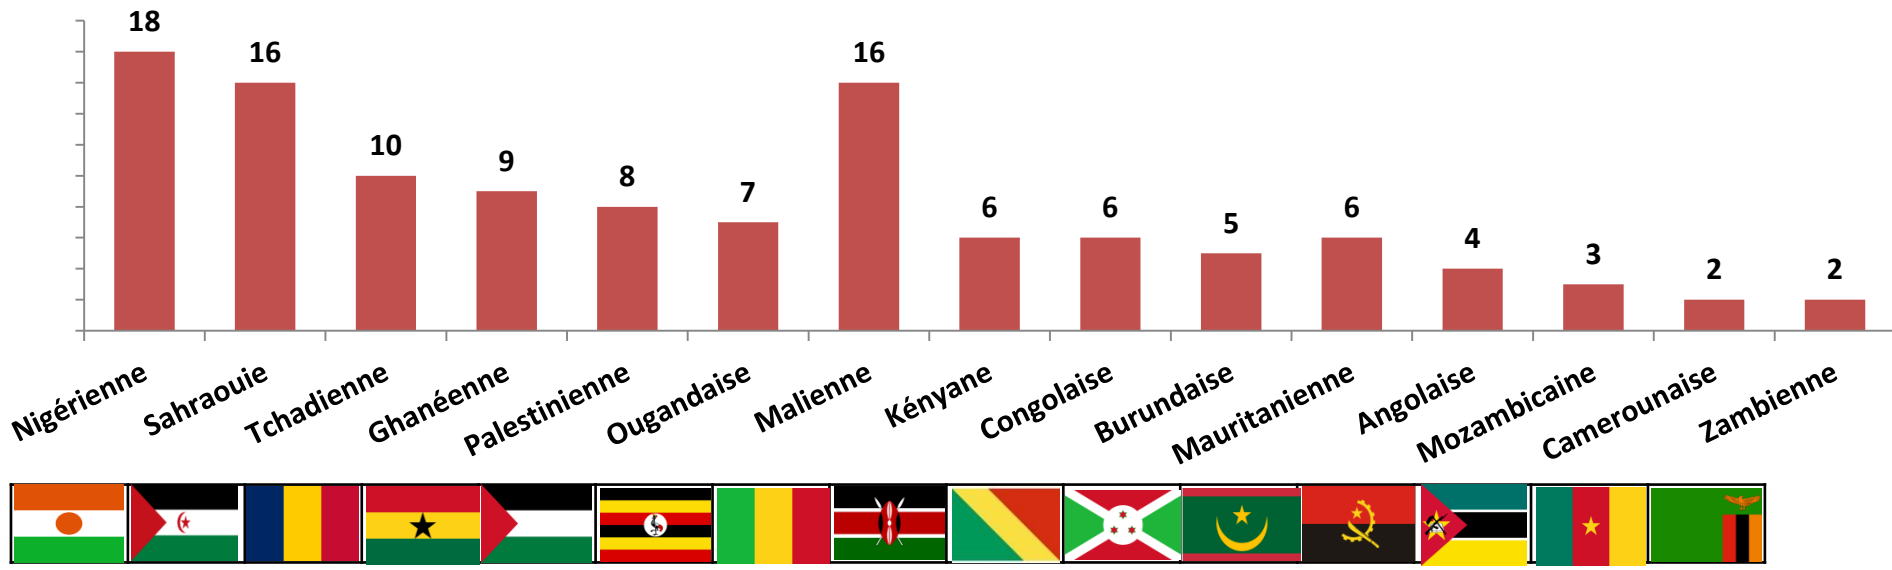

Students

Students

Foreign students by nationality

Lecturer - Researchers

<u>Rank</u>	Professors	Associate professor A	Associate professors B	Assistant professor A	Assistant professor B
	17	57	103	115	35
<u>Total</u>	327				

Scientific Research

Research: an important feature, developed and recognized at the international level

- 157 researchers
- 05 research laboratories:
 - 1. Applied hydrology and environment**
 - 2. Smart structures**
 - 3. Applied chemistry**
 - 4. Markets, employment, legislation and simulation in the Maghreb countries**
 - 5. Modern Algerian communicative speech: literary, religious, advertising, informative: study and analysis**

Cooperation

International Agreements

■ **France:**

- ✓ University of Valenciennes
- ✓ University of Nantes
- ✓ University of Montpellier 3
- ✓ Engineering School of Tours

■ **Spain:**

- ✓ Oviedo University

Cooperation

National Agreements

Socio-Economic World

- Agricultural Services Branch
- Education
- Hospitals of Ain Temouchent
- National Employment Agency
- University of Sidi Belabbes
- University of Tlemcen
- University of Oran 1
- Maurice Audin Polytechnic School of Oran BWC (Béni Saf Water Company)
- Agricultural machine production
- Shariket Kahraba Terga (SKT) - SONELGAZ
- Beni Saf Cement Company (SCIBS)
- National Company of Electronic Industries (ENIE)
- Advanced Technologies Development Center (CDTA)
- Industrial Technologies Research Center (CRTI)

Thank you for your attention
