PROJECT DESCRIPTION:
<p><u>Objectives</u></p> <p>We are looking for a project consortia in order to be a partner and to contribute our expertise.</p>
<p><u>Activities</u></p> <p>We are ready to share our expertise and knowledge in order to develop new study programs in electrical engineering, computer control of electrical technologies, energy saving technologies and other related fields. We would like to take part in education curricula's development in energy saving technologies, project management and any academia / industry collaboration activities.</p>
<p><u>Results</u></p> <p>We believe that the contributions made by our partner institutions in developed countries will make tremendous improvements in the quality of education we provide given their significant expertise, resources and other means to train and retrain specialists in the field of Engineering. Therefore, we consider any kind of collaboration and cooperation proposals from EU HEIs as an honor and kindly accept them as long as they meet our primary objective which is of course improving the quality of Higher Education in Uzbekistan and prepare world-class engineers specialists.</p>
