Expression of Interest from Superior University and Group of Colleges Pakistan

It is my immense pleasure to introduce you to The Superior University & Group of Colleges Pakistan, which is the fastest growing educational network in Pakistan, having more than 50 thousand enrolled students in 30 Campuses across country.

Due to the academic cadre and sound pedagogical records, Higher Education Commission of Pakistan has ranked Superior University as 2nd in Punjab (provincial category) and 7th in Pakistan (nationwide category) out of 177 universities in total. We are now renowned as one of the W4 category (Awarded by HEC) Universities of Pakistan. Declaring skill based curriculum and wide range of professional courses and degree programs, we stand prominent in current education system of Pakistan.

Superior University and Group of Colleges is interested in educational partnership, cultural exchange opportunities and mobility of students with your institution, therefore we are looking forward to get in touch with you for more discussion.

We are expanding our Student & Faculty Mobility horizons for Erasmus+, therefore we are interested in collaboration,

Looking forward to your kind response,
