

We would like to present our internship program and our International Hospitality Management and Gastronomy School (IHMGS) in Cullera - Valencia (Spain), specializing in the transmission of specific professional training in Hospitality and Tourism.

We are writing to give you the opportunity to hold a partnership for students to take internships in Spain (accommodation and meals included, paid internship) in our 300 Hotels and Resorts through our platform <https://www.animafestexperience.com> ; the areas of the internships are: Bar, Restaurant; Reception, Kitchen; F & B (Food and Beverage), Animation, etc.

We also give the opportunity to send your students for a master's in our school IHMGS.

The project that we are launching this year offers two extensive training programs, one for Western Cuisine and the other for Hospitality Management (all programs have all expenses included in the tuition price), in which both have included internships in Hotels and Resorts in the Iberian Peninsula, the Balearic and the Canary Islands.

All these schools / universities that form a collaboration agreement (M.O.U.) with IHMGS and advise one of their students to come to Spain to participate in one of the master's programs will be renumbered with 600 euros per student enrolled in IHMGS.

Our degree is endorsed by the Polytechnic University of Valencia.

We would love to have an interview with the responsible for International Relations and CEO by Skype: santymatamala or WhatsApp: 0034 639 327 453.

Our educational center International Hospitality Management and Gastronomy School (IHMGS) also wants to offer a free lecture to your students to talk about "Tourism and Gastronomy in Spain; and the opportunity to do an internship and a master's degree in Spain"
