UNIQUE FEATURES

A public state-funded University founded in 2005.

Supported by the German Federal Government through the German Academic Exchange Service (DAAD).

A unique model in Trans-National Education.

DAAD largest educational project outside Germany.

A multi-campus system; the majority of schools and activities are in the permanent campus on Amman-Madaba Western Highway, while some are operating in Amman.

Unique academic programs based on the German Model of universities of applied sciences

- International, and industry experienced Faculty.
 - Partnerships and strong connections with the public and private sector.
 - Applied teaching methods including practical experience.
 - High employment rate of graduates.
 - Trilingual environment: English, German, and Arabic.

WORK & PROGRESS

THE GERMAN YEAR

- All students, at the Bachelor level, will spend one year in Germany; studying for one semester at a partner university and fulfilling 20 weeks internship in the German industries as a compulsory requirements of graduation.
- Students are responsible of all the financial expenses during the German Year, which is around 8,000 - 10,000 JD.
- GJU Project Office in Germany, run by the strategic partner "HS Magdeburg Stendal", provides the logistic and administrative support for GJU students during their stay in Germany.

German Language Center (GLC)
International Office (IO)
Office for Industrial Links (OIL)

ADMISSION REQUIREMENTS

UNDERGRADUATE PROGRAMS

The Jordanian General Secondary School Certificate (Tawjihi) or its equivalent, such as Arab or foreign certificates (IB, IGCSE/GCE, HSD & SAT II) with the following minimum admission average:

- Engineering Programs and Architecture: 80% - scientific stream.
- Design and Visual Communication and Languages: 70% - scientific, literary and IT streams.
- Management: 75% - scientific, literary and IT streams.
- Computer Science: 75% - scientific and IT streams.

Students applying to study Architecture, Design and Visual Communication, Must sit for an entrance exam in addition to an interview.

GRADUATE PROGRAMS

- Undergraduate degree in a related field from a recognized university with a minimum merit of "good".
- English Language proficiency test : IELTS or TOEFL.
- GJU English Exam for Postgraduate Students.

English is the language of instruction for all undergraduate and graduate programs. German is the medium of instruction during the German year. Applying, with the minimum requirements, does not guarantee acceptance, as acceptance is highly competitive.
