PROJECT DESCRIPTION

KEU is interested in establishing a partnership with a Higher Education Institutions from European countries in order to bring mutual benefits for both countries` students and academics. We would like to exchange between students (BA and MA), academics, PhD, including staff with universities of throughout EU in the field of Economics, Management, Tourism, Commerce, Trade and IT.

We are highly interested to host academics from EU to deliver courses on all possible fields of courses available at Kyrgyz Economic University. At the same time, it is also important for us to send our academics and staff to European countries for gaining additional international experience, extend their knowledge in corresponding areas, and to improve their foreign language to better deliver courses and come up with new ideas upon their return from mobility.

There are excellent professors at our institution who can deliver lectures on the state of economy and other branches of the Kyrgyz economy and Central Asian region at all to EU students as well.

SUMMARY OF THE OFFER

62 year old public university of economics of the Kyrgyz Republic with experience of Tempus and Erasmus Mundus Programs is looking for mobility programs between students, academics and staff on economics, management, IT, tourism and trade programs.

Note: KEU is also interested to establish a Partnership within the Kea Action 2-Capacity Building in the Field of Higher Education.
