

NEO Israel is proud to introduce our Capacity Building winners

5 projects were selected for funding under the 2015 Call for Proposals. 4 out of the projects are coordinated by an Israeli HEI while 3 are national projects. The projects cover different topics:

1. **TeachEx**—coordinated by Interdisciplinary Center Herzliya focuses on promoting teaching excellence
2. **IN2IT**—coordinated by Ort Braude College and will develop innovative technologies in order to facilitate virtual teaching and learning and promote international cooperation
3. **DARE** - coordinated by Haifa University, this project will deal with inclusive education
4. **CLEVER**— coordinated by Shenkar Engineering.Design.Art which aspires to be a catalyst of change in HE for creative professions and the entire creative economy eco-system
5. **DOCMEN**—coordinated by Cracow University of Technology and is a curriculum reform project focused on Nano-Electronics

Israel currently also has 13 running Tempus project. To learn more about them please click [here](#).

Israel's National Information Day

In preparation for our national information day which will be held on November 19th, we would like to invite you to send us project ideas from your institutions, together with a short concept note and contact details, or topics for potential cooperation.

We would like to have your ideas to present to our HEIs in order to assist in establishing new collaborations and promote new project ideas.

Contact: erasmusplus@che.org.il

Upcoming Events:

November 19th 2015 - Israel's national information day
