Short profile of the university

UET is a **leading private higher education institution in Albania** offering quality teaching and research in various social science disciplines: economics, politics, law, education, engineering, arts and design, communication, and health sciences. It is a mission-driven university, fast-growing and aiming at contributing to the progress of the Albanian society through the professional and academic development of future generations, research and innovation.

UET is a leading higher education institution in Albania established in full compliance with the requirements and criteria of the **Bologna Charter**, including study programmes in the three levels of higher education: Bachelor; Master and Doctorates (Dr.) within the:

1. Faculty of Economics, Business and Development
2. Faculty of Law, Politics and International Relations
3. Faculty of Humanities, Education and Liberal Arts
4. Faculty of Medical Sciences
5. Faculty of Engineering, Informatics and Architecture

UET has established a national and regional network with a significant number of high quality universities across Europe, as well as with other actors of civil society, public and private sector, in order to create different spaces and opportunities for students and the academic staff. There are

multi-faceted institutional academic partnerships with higher education institutions and research organizations based in France, UK, Netherlands, Austria, Germany, Hungary, Portugal, Italy, Spain, Sweden, Switzerland, etc. UET specifically cooperates with the Aston University in Great Britain in the framework of the Doctoral School programs.

UET also collaborates closely with other higher education institutions in Southeast Europe and European Union in the framework of the Tempus, Jean Monnet, Erasmus + programs, as well as with other institutions in the framework of research supporting programs by international and local donors like the Regional Research Promotion Program; NUFFIC, Impact Assist/USAID, Open Society Foundation, etc.

Summary of International Relations and International Credit Mobility

UET is successful in staff and students exchange.

Through Erasmus Key Action 1 'Mobility of individuals' **UET has hosted** 28 incoming students and 40 staff while as a sending institution, **UET has sent 140 students** for one/two semesters in European partner Universities and 82 staff from UET have accomplished one-week teaching mobility in European HEI.

For more information please visit the [International Mobility website](#).

In terms of student mobility, we offer **full support throughout the entire process** to incoming and outgoing students, through already well-established support structures. Currently, we are the main partner University of the **Candidate ESN-Tirana section**.

UET is focused on adopting European flagship initiatives in Albanian higher education system, thus we organize each April the "International Week", dedicated to both academic and administrative staff.
