

Oleksandr Dovzhenko Hlukhiv National Pedagogical University (Ukraine)

Hlukhiv University is the integral part of the educational system of Ukraine. Hlukhiv University is the educational establishment of the European type with powerful and effective education system, known and famous. Based on the best pedagogical traditions it follows the time demands giving profound education and training to the young generation. During more than 130 years of history of the University different social, political and economic changes in the society were reflected.

The University structure consists of 5 faculties, professional pedagogical college, Educational and research institute of humanitarian education, 6 distance education centers, 21 departments, renewed scientific library, sports complexes; there are scientific research laboratories on history and culture of Sivershchyna, primary teaching in the national school problems, dialectology, specialized laboratories, teaching productive workshops, historical pedagogical museum and students hostels.

The educational establishment prepares the professionals of the educational and professional levels of “bachelor”, “master” in the following fields of knowledge: pedagogical education, humanitarian, natural sciences, social and political sciences, physical training.(sport and health) Taking into account the modern needs of the society the University licenses the actual specialties and specializations. There is a post-graduate scientific training on the basis of the University in the following specialties: Theory and Methodics of the Professional Education; Ukrainian literature; Theory and Methodics of Education; Social Pedagogics.

The education process at the University is provided by 280 teachers among which there are 25 professors and 137 assistant professors.

The University staff works productive at enlarging the achievements of the Ukrainian and world pedagogical science, forming the state intellectual potential, creating all the conditions for the creative self-realization and cultural development of the teacher’s personality.

As part of the academic and research activities the University cooperates with authorities at all levels, including the Ministry of Education and Science of Ukraine. The University has a number of projects with the National Academy of Pedagogical Sciences of Ukraine, leading domestic and foreign institutions and universities.

Among the foreign partners of the University it should be pointed out close cooperation with the University of Science and Arts (Poland, Lodz),University of Applied SciencesMagdeburg-Stendal (Germany, Magdeburg),the University of Applied Sciences, Zittau/Goerlitz(Germany, Zittau) and others.

Nowadays the University is developing international cooperation and is searching for new foreign partners for joint participationin international grant programs and loan programs of staged mobility. The scientists of Oleksandr Dovzhenko Hlukhiv national pedagogical university suggest to take part in the following research projects:

1. Specialists training for creating and accompaniment of electronic methodic systems of teaching language.

2. Forming citizen at the pre-school age.
3. We learn for life but not for school.
4. Preserving elderly people life quality.
5. Educational and scientific maintenance of intending primary school teachers' ecological training in dimension of sustainable development conception
6. Intercultural education of pupils and students
7. Pedagogical and methodical providing of secondary and vocational schools interaction in organizing career guidance / professional orientation work
8. Methods of "augmented reality" use in pedagogical higher education institutions.
9. Historical and cultural heritage of Slobozhanshchyna (Sloboda Ukraine) in virtual environment.

We would like to find the partners for the following types of Erasmus + Actions:

- Mobility in the field of education and training;
- Knowledge Alliances;
- Strategic Partnership in education, training and youth;
- Sport activity;
- Jean Monnet activities.

Also we would like to find the partners for other EU programs.
