

Dear colleagues,

We are pleased to inform you that our course **Getting ready for the digital classroom: communications, resources, tools and assessment** that will take place in **Barcelona**, Spain is eligible for an Erasmus+ KA1 grant that could cover travel, course fee and accommodation in Barcelona centre. This course will take place in four different sessions:

Session 1: 01/07/2014 - 08/07/2014, Session 2: 15/09/2014 -19/09/2014, Session 3: 09/02/2015 -13 /02/2015 and session 4: 22/06/2015 - 29/06/2015.

What do teachers get out of such training activities?

The greatest benefit is visible in their professional and personal development. Our course pretends to help teachers interested in e-learning about available digital tools to make their teaching more effective, evaluate the pros and cons versus face to face education and tutoring and assessment in e-learning. Very often, participants after attending this course decide to set up an e learning platform to improve their teaching.

What should you do if interested in participating in our course?

First of all, contact your LLP National Agency to obtain the most up-to-date information on the application procedure and assistance available for applicants. In most of the countries the **deadline to apply is the 17th March 2014**.

For more info (dates, structure, accommodation, venue, certification) on our course, please visit: [Getting ready for the digital classroom: communications, resources, tools and assessment](#)
