C.1.2 Background and experience

Please briefly present your organisation (e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used)

Answer:

Hominem is a Spanish independent organisation operating within the fields of business consultancy, management skills training and education.

In the area of business consultancy, we primarily provide flexible consultancy services that match with the needs of organisations, mainly SME´s. We provide high value assistance in aspects such as:

- Improvement of their productivity by acquiring new working habits and tools.
- Development the internal human capital by using innovative learning methods.
- Technical and business assistance for penetrating new international markets and accessing a higher level of diversification.

In the area of management skills training, we offer a wide portfolio of management courses aimed to develop professional´s abilities and competences. Our courses are all tailored to suite each SME needs and delivered by our team of permanent trainers and a selected team of external consultants. Some of courses offered are: Leadership skills, conflicts resolution, developing a presence in international markets, developing a successful business plan, Time management...

In the area of education, we partner with a number of British universities and educational institutions to offer a number of university qualifications studied through distance and online learning modes. Hominem challenge offers from Spain assists all students studying from Spain a university degree such as: MBA, masters, bachelor, diploma or certificate.

With regards to European funded projects, Hominem, through its experts, is involved in projects relating to competences and ICT developments for Businesses and users.

Have you participated in a European Union granted project in the 3 years preceding this application?
