

APPENDIX I – LATITUDEQUATION PRICE LIST 2015

We have been involved in the organisation and management of European Commission funded projects and programmes for many years. It is because of this that we understand the constraints you, as the promoter, may have regarding your available budget and the way we work is to do our best to work within this. The following price list is simply a guide to what we are able to offer with flexibility and doing our best to provide you with a programme that meets your needs and available budget.
