

Dear Partner

We are writing to introduce our training agency **SERINDFORM Ltd.**, hoping to establish a partnership with you in the near future. In this year we won a project **Erasmus+**, then hope to find new partners for **Erasmus+2015**.

SERINDFORM Ltd. is a professional Italian training and development agency which has activated a special service called **E.U. Service**, this offers two types of activities:

T&S-TRAINING & STUDY in TUSCANY (www.tstuscany.eu) which operates as **hosting organization**

and

EUROPE for YOU which (www.euforyou.it) operates as

sending organization

As **T&S-TRAINING & STUDY in TUSCANY** we are interested in cooperating as partners (hosting organization) in projects devised by others to host foreign european students who want to come to Italy to learn a language or do a work experience with a special interest for Tuscany and the Riviera of Massa and Lucca (Versilia)

We are also interested in cooperating in the projects we are planning at the moment, as sending organisation from Italy through the service **EUROPE for YOU**

In order to understand in detail our activities you can see the web sites listend.

For this reason we would like to know If we can include you in our network of European partners.

Looking forward to hearing from you,

Yours faithfully
